# Welcome to Our 18<sup>th</sup> Year!

Welcome to the 18<sup>th</sup> Annual Mammoth Lakes Jazz Jubilee and thank you for attending this fun community event. It's a jazz event held in an area surrounded by great scenery. It has a wonderful and helpful volunteer staff, and the music's provided by some of the world's best jazz musicians who are playing for you – our ardent and supportive jazz fans!

We like to alert you to some of the new things that you can expect at the Jubilee; so please read the article titled, "What's new at the 18<sup>th</sup> Annual Jazz Jubilee?" on page 5, and "Special Events" on pages 13-14, you'll get all the new stuff there.

We want you to have as much excitement and fun attending this Jubilee as do all of us who put it on for you; so please stay

informed. We hope you enjoy looking at the beautiful scenery, feeling the community spirit, and listening to and watching some of the best jazz bands and players in the country. It takes many "ingredients" to put on an event like this, and we feel we have been able to combine them from the "cream of the crop."

Please use common sense and moderation in all things you do, after all, you are at 8,000' elevation-hotter sun=use sun screen & lip stuff more often, less humidity=drink more water, less air to breathe=don't run up stairs & walk slower up hill-OK to stop often to catch your breath

Thanks again for coming to the Jubilee, and enjoy our "Jazz with Altitude" – Ken and Flossie Coulter-co-directors.

## Mammoth's Mayor Welcomes You!

On behalf of the Town of Mammoth Lakes and the entire community, I welcome all of you to the 18<sup>th</sup> annual Jazz Jubilee. I am very proud of the entire community for the tremendous volunteer effort to help stage this year's event. We have the good fortune to not only participate in a fun-filled musical event, but to enjoy it as well. Thanks for joining us. Have a wonderful stay, enjoy the food and music, and be sure to take advantage of all the wonders of this beautiful area.

Sincerely,  
Kirk Stapp, Mayor  
Town of Mammoth Lakes

# What's New for the 18th Annual Jazz Jubilee?

1. The Holler not only is the Jazz Headquarters Location with music from 3 to 10:30 p.m. on Thursday, but it is also the location of the souvenir tents. This location will also have our badge "Will Call" booth. The Holler will also be one of two locations that will accept credit cards, the other being the Big Top. The Holler will have the larger Friday night Mardi Gras Party, the Church site will have the second Mardi Gras Party on Friday night. Please see schedule for details. The Holler will also have the most variety of food booths, the most trees, more shade, more chairs, and more porta-potties. This will also be the location for the 8:15-9:45 p.m. Saturday night "Big Band," home for the 10:15 a.m. Sunday "Gospel" by Blue Street, and the location for the 4:30 p.m. Sunday night finale.

2. The "Canyon" and "Sherwins" will return for the 2<sup>nd</sup> year

a. The "Canyon" tent is located on the grass behind Canyon Lodge. You will find easy access from the Canyon Lodge parking lot located up Canyon Blvd., or it's a very short walk from the "top" Village Gondola station. This area will be used mostly during the days on Friday, Saturday, and Sunday. Some of your favorite bands will be playing there. Of course, you'll find food and drink for "cash" sale only (no wooden dollars accepted here). The bathrooms will be located "indoors" versus the "small green house." At the base of the Gondola, you will have access to "indoor" toilets in the Mountain Center.

b. The "Sherwins" returns and is an indoor location with 100+ seats. It will be used Thursday, Friday and Saturday evenings. This intimate setting is located down Old Mammoth Road, past the Vons shopping center, at the equestrian center. Follow the signs to the back building. There will be beer and wine available for "cash" sale. This year you will find a variety of bands. Thurs. will have Gary Ryan & Sally Tibbs / Kevin Kirk band, Fri. you'll find Night Blooming Jazzmen & Steve Lucky, and Sat. will have Soul Reason

3. "The Village" will have a tent and a large movie screen as they did last year. There will be movies shown from 8-10 p.m. Thursday, Friday and Saturday nights. Most of these movies were filmed at previous Mammoth Lakes Jazz Jubilees. Footage includes local beauty, many bands' stage performances, crowd shots, and some shows from performers who will not be here this year. For example, "Beth Chorneau" and the "Jack Daniels Silver Cornet Band" will only be here, shown at "the movies." Do you remember the pizza covered with "night crawlers," or the "Wooden Nickel Jass Band"? All have been captured on film and will be shown during "the movies." Each day look for more information as to what will be shown and when. You'll need to move your car from Canyon Lodge to be closer to Eagle Lodge (Little Eagle) or Whiskey Creek if you are going to stay up late. The last gondola stops before those shows do. It's a long walk up Canyon Blvd. to Canyon Lodge! And Canyon Lodge is NOT on the bus route, so please watch your time and remember where you parked!

a. As of this writing, some of The Village restaurants and bars will have food for sale close to the tent on a "cash" basis. Many shops are planning to have "outdoor" sales as well. Be sure to look for that special Mammoth bargain.

b. The Village tent will feature some bands you won't see too many other places. Hyperion Outfall Serenaders, Sally Tibbs & Kevin Kirk, Soul Reason, Ivory & Gold, and The Barkin' Dawgs.

On Saturday, look for the Barkin' Dawgs to make their third year appearance here. 2 years ago they helped create the "Lance Gardenline" Trombone Scholarship to aide one of our Jazz Campers. This year it is being used by Kevin Scott. Also, a big thanks to Rhee's & Scott's for helping others attend our Jazz Camp this

year. Thanks, you are helping to keep the music alive.

4. The Gondola from the Village to Canyon Lodge is scheduled to run the following times:

\*NEW Wed., 5-7 p.m.-ride with your favorite musician & from 7-9:30 hear Steve Lucky & The Rhumba Bums play upstairs in Canyon Lodge. There is an elevator for those who can't do stairs as well as they used to.

Thurs., 2 p.m. to 10 p.m.

Fri., 11 a.m. to 11:00 p.m.

Sat., 9 a.m. to 11:00 p.m.

Sun., 9 a.m. to 6:45 p.m.

We know this is way too much information, but don't just go to your old "stompin' grounds" — be adventuresome and try some "new stuff." Maybe you'll find a favorite "new" venue and or band. At the Mammoth Lakes Jazz Jubilee, the main thing is to have fun!

5. Two new bands that have never been at the MLJJ before are "Mighty Aphrodite" from Canada, and Sally Tibbs/ Kevin Kirk Jazz Band from Boise, ID. Please give them a warm Mammoth welcome. Several other players are "new" in their format, but all of the players have been here before with other bands-Brady McKay & Gary Ryan are here to join in with other groups, and High Street is returning after several years absence. Welcome to all!

6. The Church venue will have a "real" Community Church service from 8:30-9:30 a.m. on July 16. (no Badge required)

7. Read our second addition of the "Daily Jazzy Times." Look fWelcome to Our 18<sup>th</sup> Year! or "Jazzy T" prize winners and any information that you may need to know for that day — maybe schedule changes, tips, and Jazz notes. Hope you enjoy your stay at the Mammoth Lakes Jazz Jubilee!

# Beaucoups des Banjos!

There are three separate special events featuring banjos at this year's Mammoth Lakes Jazz Jubilee. The Banjo Brunch is one of the breed, and features individual banjo and guitar players, representing the many bands performing here at the Jubilee. They play at least two at a time for 25 minutes a set. (Please note: There is a five-minute break in between sets)

The popularity of the Banjo Brunch led to the inauguration (a few years later) of Banjos and Cocktails, Guitars, Too! Again, banjo players from the Jubilee are paired together (or in threes) to play in 25-minute sets. The most recent addition to the banjo bonanza is "Blazing Banjos" with the fast fingers of Gary Ryan, Eddie Erickson and Bill Dendle as a trio—you just have to discover this one for yourself! These will be 55-minute-long sets.

Do you recognize these "fast fingers"?

# Jazzy T-Shirt Raffle

One of the most popular souvenirs at the 2006 Mammoth Lakes Jazz Jubilee will be the "Jazzy T" and "Jazzy Golf" shirts. The "T or Golf" shirt is your ticket in to a fabulous raffle and your chance to win one or more great prizes.

Here's how it works: Buy a Jazzy T-shirt, fill out the attached entry card and enter it into the raffle. Buy two, and your chances increase. Every card is individually numbered to represent the purchaser's chance in the raffle.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the many prizes still available.

Prizes include a special spa suite stay at Circus Circus in Reno, dinner certificate for Circus Circus in Reno, merchandise, Portable DVD player with screen, CD/DVD player to put with your other electronic equipment, Atomic clock, Mammoth scenic puzzles, and many gift certificates from local shops and restaurants. You can't win if you don't play, so be sure to buy your "Jazzy's" at The Holler souvenir tent. Fill out the attached card and hand it to the Jubilee Raffle volunteers.

Even if your name is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the Jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

The names will be drawn in between sets at The Holler stage. Winners from previous day's drawings will be available at the entrances of each venue and in the daily issue of the "Jazzy Times."

Please note: Winners need not be present to win!

Our first "Jazzy T" was printed for our fifth Jubilee in 1993. Do you have all of them? Buy one today to add to your collection.

# Drink Responsibly...

## **Alcohol at High Altitude Hits You Harder. You're at 8,000 Feet Above Sea Level.**

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to "Think Before You Drink!" This is the High Sierra and the elevation of this festival is about 8,000 feet above sea level. For those of you unfamiliar with drinking at such altitude, take it easy!

You and your body will react to alcohol differently- you will get drunk much faster. Please hydrate with lots of water. Consuming two beers at a high altitude will affect you more than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus system. Please limit your bar purchases to two drinks a trip. If you live/ or are staying outside the shuttle route, contact a site manager, who will find you a ride home. Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official.

## **9th Annual Musical Instrument Petting Zoo**

**Saturday, July 15, 9-9:45 a.m. at the Holler**

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee nine years ago, no one really knew how big a hit it would be! You see, many festival-goers have never even touched a musical instrument, much less played one. At the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people take up their favorite instrument. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 15 at the Holler. Petting Zoo time begins at 9 a.m., so stop by and hold, blow, beat or simply pet these musical instruments. It will happen this year. Mouthpieces and reeds will be sanitized after each use.

Jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the jazz camp. This year the event will be hosted by Kevin & Nancy Worden-2 long time locals.

# Survival Guide

**Rules where common sense should prevail**

## **First Aid**

The first aid station will be set up near the Holler on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. The paramedics van will be in and out of this area. Call 911 for all emergencies in Mammoth Lakes.

## **FOR YOUR INFORMATION**

*HAVE A GREAT TIME AND PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES, WHICH WILL HELP MAKE THE JUBILEE MORE ENJOYABLE FOR ALL.*

## **NO SMOKING**

Because we are in a high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs. Please use the buckets for your "butts." Note to our visitors from out of state: **ALL** California bars and restaurants are non-smoking.

## **BE CAREFUL CROSSING STREETS**

Use crosswalks where painted. Be aware that Minaret Road by The Village, is very busy—try to stay inside the walking lane. Also, the sites for the Big Top, and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Be very cautious as cars and drivers are not used to a lot of foot traffic in that area.

Another area to use extra caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. **You may want to bring a flashlight for evening walking. There is lots of construction worker traffic so please be extra careful.**

## **NO SEAT SAVING**

Not even with your seat cushion! Please help us with this **constant problem!** We want to provide chairs for as many people as we can. If you come into a site early (when they are not officially open), and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please **DO NOT** save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Be aware that most indoor venues have limited seating. (It's OK to leave your seat if you go to the bathroom, dance, or if you want to buy food or drink! Tell your "neighbor" so your seat will not be given away).

## **LOST AND FOUND**

Lost and found will be located in the main ticket booth at the Holler and at the badge sales booth near the Big Top, behind Ocean Harvest. \*Check the area around your seat before you leave so you don't forget anything.

## **RECYCLE CANS & BOTTLES**

...In the marked trash containers. We are trying to recycle "better" than in the past. Please help us with this goal by placing "trash" in the correct receptacle.

*Please see page 16*

## **SURVIVAL** *from page 15*

### **PARASOLS & UMBRELLAS**

Please be aware of the direction and sight-blockage it may take. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people! please read the "Mardi Gras Madness" article on page 19.

### **VCR RECORDERS**

They will be allowed in designated areas only—recording is at the discretion of the bandleaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

### **DANCING**

Dancing on designated dance floors will be at the following sites: RV Park, Holler, Big Top, Whiskey Creek, Whiskey Creek Tent, Church, Canyon and Grumpy's Tent. Special black-and-white floors at the Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not dance on the wood chips or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

### **SSHH!**

Please hold it down! If you must talk and socialize, please go to an "outer area" of the venue so you don't disturb people who are trying to listen. It's "ok" to ask others to be quiet.

### **RESTROOMS ARE PROVIDED AT EACH VENUE**

Look for signs or ask site personnel for locations. Hand-capped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent – all areas with a black top surface. Also, nice facilities are in the RV Park Rec Room. The Canyon & Village tents will have indoor toilets nearby.

### **AGAIN THIS YEAR, FREE GONDOLA RIDES**

A fun, free Gondola ride from a large, free parking lot area located at Canyon Lodge at the top of Canyon Boulevard to "The Village", which is the area located across the street from Petra's Café, The Alpenhof Lodge, and Berger's Restaurant.

The Gondola will operate many hours on all five days. There is plenty of time to get you to the event so you can hear some great music. It takes only four minutes each way, so you can go back to your vehicle to pickup a jacket so that you don't have to carry it around all day. For you late night owls who stay up and watch the last shows at Whiskey Creek & Little Eagle, you'll have to move your car closer to those locations before the last Gondola ride at 10 p.m. on Thursday, 11:00 p.m. on Friday and Saturday, and 5:45 p.m. on Sunday.

Parking should have cleared out some by then. Other parking areas will require "common sense." It will be limited in some locations of town, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: the lot across the street from The Chart House on Old Mammoth Road, Mammoth High School lot behind Grumpy's, and the lot across from the Village-off of Forest Trail, Canyon Lodge, as well as the lot across from Little Eagle. Please do not block parking spots designated for band members or our hardworking crew. Always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service

the Mammoth High School parking lot as well as the RV Park, Main Street & Minaret Roads. Please see the map in this program to find location and approximate pickup times.

### **MORE SHUTTLES THIS YEAR**

The Town Trolley will run from Mammoth Creek Park up Main Street to the Village from 9 a.m. to 9 p.m. on Sun-Thurs, and 9 a.m.-11 p.m. Fri. & Sat.. See maps at the Holler and the Big Top for information. (also pg. 22-23). "The Lift" is a free town shuttle that is also available to Jazz Jubilee patrons. For a small charge, it may go where others don't. These are in addition to the Jazz Shuttle bus and new Jazz Trolley.

### **ALCOHOLIC BEVERAGE POLICY**

Any beverage you purchase at one of our food / drink booths may be taken out of that outdoor site, transported down the street, and taken into another outdoor site. Please note that California law DOES NOT ALLOW ANY OPEN CONTAINERS OF ALCOHOL IN VEHICLES. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our OUTDOOR SITES. This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future instead of the "Drink it or Dump it" rule, that applies to most festivals. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Petra's Cafe, Whiskey Creek Restaurant, Hennessy's, inside Canyon Lodge & Little Eagle sites. Thank you! Any vehicles operated by the town do not allow alcohol/food. Please obey this rule!

**SORRY—STILL NO COOLERS, THERMOSES OR "OUTSIDE ALCOHOL" ALLOWED IN ANY VENUE.**

### **WOODEN DOLLARS**

They will be used as payment for food and drinks at most outdoor sites only. The exceptions: The Village Tent & Little Eagle. The Sunday night programs at the Big Top & Grumpy's Tent. The "Good-bye 2006 Jubilee" party at Grumpy's is sponsored by Grumpy's and WILL ONLY TAKE CASH. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! You can save them for next year or donate them back to the Jazz Camp kids by putting them in the containers by the exits. (No refunds).

**MOST INDOOR SITES** will accept cash/credit card only, with exception of the RV Park—wooden dollars are accepted there. At the entrance to the Holler and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars. If paying by cash or check, there is no minimum: you can buy from \$1 up. Also, look for Mammoth Lakes Jazz Jubilee chippies selling wooden dollars at the Holler.

### **MOST OF ALL ENJOY!**

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

**\*DO HAVE A GOOD TIME, AND WE HOPE TO SEE YOU NEXT YEAR, JULY 11-15, 2007!  
Come back to see "Jazz with Altitude."**

# Special Needs

Each year, we make every effort to meet our guests' needs, including those who are physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, inside of the RV Park Rec Room, Whiskey Creek parking lot, and Grumpy's Tent. Three of these sites have paved surfaces, and there is a ramp and wooden floor at the RV Park site.

Please be aware that the Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests, and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind Ocean Harvest. Very limited spaces at other sites.

For all you weary guests, check out a very special feature at the Holler—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices.

The Village Gondola is wheelchair friendly, but there are stairs to get to the tent. You could remain on the flat surface on the back side of Canyon Lodge and hear the music, but not see the performers.

Canyon Lodge does have an elevator to get you to the deck by the Canyon tent. Once again, there are stairs to get to that tent. To get to the top of Canyon Lodge for the special, first time & one time only, Wednesday night performance with Steve Lucky & The Rhumba Bums, you can use the inside elevator to reach the performance area.

Sherwin's will have some handicapped parking close to the building.

# Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs, invaluable support.

The organization contributes to the Jazz Jubilee Jazz Camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow local students to participate in this popular camp. This year they are assisting Zac Burgenbaugh a local piano player.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at the Holler. If you don't see a red-aproned information guide (with the big white question mark on the front of the apron), stop by the Music Society table and they will assist you.

The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, and the Community Chorus. Additional contributions are given to school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests. They also provide scholarships for promising high-school seniors who have proven their interest in the music field.

# Local Businesses Serve Up Hot Jazz

In addition to the tented venues at the 18th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

Most of these indoor venues are restaurants and popular bars. And again we are including the RV Park facility as an indoor site. Seating is limited at most of the indoor venues, so be sure to arrive early.

The following is a list of indoor venues featuring the music and fun of this year's Jazz Jubilee:

- **The RV Park:** This venue is located one block east of McDonald's on State Highway 203, on the right as you are heading back towards US 395. This site has over 200 seats and a great dance floor! Wooden Dollars are accepted here! The only indoor site to take them. A special Wednesday night show will start at 8 p.m. and run until 10:30 p.m. Jeff & Anne Barnhart, Danny Coots, Sherri Colby and Matt Bottel will perform "From Ragtime to Broadway" plus lots of other good stuff. There will be an extra \$10 donation for all those without "All Jubilee Badges."

- **Whiskey Creek (Upstairs):** Located at the heart of the Jubilee at the corner of Minaret and Main, Whiskey Creek will feature a variety of bands on their always-festive stage located inside and upstairs this popular restaurant. Look for it on Thursday, Friday and Saturday nights.

- **Little Eagle:** Eagle Lodge will be used during Friday & Saturday only. It will be the home of pianorama, and many other special sets. It is located next to Juniper Springs Lodge-at the end of Meridian Blvd.

- **Hennessey's:** The Banjo Brunch will be held here on Saturday, July 15 from 8:30 to 11 a.m. Hennessey's is in The Village, right near the loading area for the Gondola to Canyon Lodge, behind the Village tent.

- **Petra's:** Also located in the Jubilee hub in front of the Alpenhof Lodge. This local hot spot will feature the always-popular Banjos and Cocktails (Guitars, too) affair (no-host) late Saturday afternoon from 4-6 p.m. Wine/Beer/Food available.

- **Sherwin's:** A venue out Old Mammoth Rd. Follow the signs by Sierra Meadows Equestrian Center - This site will have 100+ chairs, food & drink for "cash" purchase. It will be used Thurs., Fri., & Sat. nights only.

Many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned away at the door. Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues, except the RV Park, accept only cash or credit cards for purchases. Wooden dollars are good at most outdoor sites only, and the RV Park.

Brady McKay "croons" a tune.

"Holler" 2005 - Were you there?

# Friday Night Mardi Gras Madness or Manners?

Once again this year—2 locations to have Mardi Gras Fun on Friday night—the Church and The Holler. Masks and beads will be for sale at each location. Join in the fun and catch the Mardi Gras spirit.

Please enjoy Mardi Gras time, but respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella. The view from many seats at both the Church and Holler become "blocked" when people stand/dance/or jump around in front of the stage.

In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 45 minutes of each 55 minute set, "second line" paraders and partiers may move anywhere in the site so long as you DO NOT STOP in front of the stage so you are not interfering with someone else's view. But it is NOT OKAY to party in front of the stage where you block vision for those seated there.

3. Exception—for the last 10 minutes of each set—approximately 8:15 to 8:25 p.m., 9:30 to 9:40 p.m. and 10:45-10:55 p.m. in the Holler, and 7:15-7:25 p.m., 8:30-8:40 p.m., and 9:45-9:55 p.m. in the Church; it will be okay to get in front of the stage. However, **ABSOLUTELY** no one other than paid performers is allowed on the stage at anytime!

4. To those who are seated, we hope you enjoyed the first 45 minutes and understand the last 10 minutes of each set.

5. Remember most rows of chairs in the Holler and the Church are on a relatively level surface, so if you want to see the stage for the whole show, you may want to take a seat "on higher ground", or get up and party, too! Be prepared to have some fun and get into the Mardi Gras spirit. We are trying to make Mardi Gras fun for one and all. Thanks for your understanding and cooperation!

*It's fun to have Mardi Gras in July.*

# Band Profiles

## Barkin' Dawg

**LODI, CALIFORNIA**

Rikki Nishimori ..... **Leader, Trumpet**  
 Katie Waters ..... Tenor, Saxophone  
 Priscilla Ornelas ..... Tuba  
 Grady Gardenhire ..... Trombone  
 Jon Raman ..... Drums  
 Jeff Waters ..... Clarinet  
 Roger Cross ..... Piano  
 Richard Ornelas ..... Guitar

The Barkin' Dawg Jazz Band is comprised of young musicians who attend high school and college. They are students who are majoring in math, & computer science. They are future professionals and music educators who are from Lodi, CA. This band was organized by Bob Romans, a retired music teacher and leader of the Cell Block 7 Jazz Band. He has organized 5 youth bands over the years; the Barkin' Dawg Jazz Band is one that still remains together. In 2002, Bob turned the band over to Rikki Nishimori -Rikki is currently attending UOP as a music education major. The "Dawgs" like to create their own arrangements of Trad Jazz standards, and is one of the few youth bands that doesn't have an elder instructor. Come hear them play your favorite tunes as well as a few original arrangements you're sure to love. Over the years they have performed at the following festivals-Sacramento-9 times, Monterey-5 times, Fresno Mardi Gras-6 times, Vintage Wine Festival-5 times, and at Mammoth 3 times.

Their first appearance two years ago should have been a happy occasion, but their Saturday set at Whiskey Creek Tent was a reminder of how fragile our time on earth is. Lance Gardenhire, a former member of the band, died March, 2004 at age 19. The Barkin' Dawgs asked to dedicate a set to Lance Gardenhire who loved the Mammoth Jazz Camp experience, and loved the area. His family asked that any money collected be donated to the Mammoth Lakes Jazz Camp. So far, almost \$1,800 has been collected, and for this we thank you. We have started a Lance Gardenhire scholarship for Mammoth Jazz Camper students. This year it is being used by Kevin Scott.

With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing and straight ahead, with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band! Welcome back to Mammoth!

The Blue Street Jazz Band has been a major force on the Dixieland jazz circuit for a number of years. In fact, three years ago they celebrated their 20th anniversary!

Founded in 1983 by trumpet player Forrest Helmick and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band, along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin"—Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. They have 20-plus years as a group, more than a dozen top-selling albums, and too-many-to-count live performances around the globe behind them.

Known for their fast-paced, energetic and fun-filled performances, Blue Street will get you off your feet and onto the dance floor before you get your first libation. With inspiring and uplifting gospel tunes thrown into the mix, the band has a wide appeal to audiences and pleases both young and old alike. Please give a big welcome back to David Hull, son of former Blue Street player-Ed Hull, we haven't seen him in years.

Chicago Six is as much a tradition here in Mammoth as the Jazz Jubilee itself, and they are recognized as one of the most popular returning bands.

The band hails from Cardiff, a town just north of San Diego. A swinging group of musicians, Chicago Six has been around for more than 20 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the best-known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett, Les Brown, Lawrence Welk and Tex Beneke.

Tom Tucker ..... Co-Leader, Cornet  
Paul Reid ..... Piano  
Jim Haslip ..... Trombone  
Al Sherman ..... Bass  
John Gillick ..... Drums

The seven multi-talented musicians of Cornet Chop Suey will give you an exciting Traditional jazz and Swing show every time! And they do so with gusto and enthusiasm.

Formed in 1997 by co-leaders Brian "Big B" Casserly and Tom Tucker, the band is excited to make their fourth appearance here at the Mammoth Lakes Jazz Jubilee.

Named after a popular Louis Armstrong tune, Cornet Chop Suey has at least a century of songs in their repertoire—from the rags and Dixie of the early 1900s to contemporary jump, jazz and swing.

Their two recordings, "Cornet Chop Suey—Live" and "Cornet Marmalade" were produced the old fashioned way: in a single evening in front of a live audience. The band wanted to capture the feel of 1950s-era jazz festival recordings and did so with much success.

Cornet Chop Suey features a high-energy front line and a powerful rhythm section. These members and supporters of the St. Louis Jazz Club are local favorites who keep you coming back for more!

The band has been playing dances and festivals on the West Coast for over 11 years, winning fans from around the globe. There have been a few changes to the band's roster of players this time around. Gator Beat specializes in its own brand of South Louisiana music, blending traditional Cajun and Zydeco with a wonderful mixture of original songs.

A flute at a Jazz Jubilee, a Jazz Concert, or a Jazz Festival? UGH! Wrong! When Anne and her flute join husband Jeff at the piano, sparks fly. Talk about talented; this couple will dazzle you with music and mirth in a truly exceptional show. Hope you'll love them as much as we do. They can produce sophisticated sounds, ragtime tunes like you've never heard before, and have a good time doing it.

Ivory & Gold was "accidentally" created at this Jubilee when Anne sat in with Jeff during his time slot during a pianorama. We are sure glad she did! They have now become a festival favorite on the "circuit".

Many local-area students as well as youth from as far away as Arizona, Idaho, Oregon, Washington, Florida and, Utah are participating in the 12th annual Mammoth Lakes Jazz Camp, July 9-16. The week-long camp will culminate in several Jazz Camp Youth Band performances followed by a graduation ceremony on the final day of the 2006 Jazz Jubilee. The jazz workshop gives them hands-on experience and training with some of the Jubilee's top professionals.

These 13-17 year olds really learn how to strut their stuff. Make sure you catch these talented youth at least once. You will be pleasantly surprised.

**Paul Midiri** ..... Vibraphone, Trombone  
**Joe Holt** ..... Piano

This is the fourth time in Mammoth Lakes for the Midiri Brothers. The brothers are leaders of various small group jazz ensembles and also lead a 16-piece big band. Their arrangements feature authentic yet creative performances of the music of Benny Goodman, Lionel Hampton, Artie Shaw, Red Norvo and many others. You'll love to watch and hear Paul play the "Vibes." This year's band has a piano player instead of a trumpet player they had last year. You can always expect great sounds to come from this lively group.

Recordings include "Live! At Bridgewater," "Avalon," and "Finger Bustin" all of which are featured as part of regular programming of nationally syndicated radio programs and worldwide on web broadcasts. They also play a lot of Benny Goodman sextet tunes.

Since 1990, the Midiri Brothers have made the rounds of the East Coast's premier venues, including New York City's Rainbow Room and Philadelphia's Penn's Landing. They are a hit everywhere they play!

Be sure to check out this spirited, jazzy team of players. They'll surely be a hit here again in Mammoth!

## Mighty Aphrodite

CANADA, CA, WA.

Sponsored by Mammoth Crossing Dev. LLC. A Canadian company doing business in Mammoth.

Bria Skonberg ..... Leader, Trumpet, Vocals  
 Claire McKenna ..... Reeds  
 Shelley Park ..... Guitar  
 Shannon Thue ..... Piano  
 Georgia Korba ..... Bass  
 Bob Williams ..... Trombone  
 Elizabeth Goodfellow ..... Drums

Leader, Bria Skonberg has attended many jazz camps including the Mammoth Lakes Jazz Camp-twice. She has a natural flair for music, as can be seen and heard in her singing & her playing. She & her fellow Canadian players have the distinction of being the Mammoth Lakes Jazz Jubilee's first "foreign band".

This normally "all Female" band has a non-female player at this Jubilee because their "usual" trombone player is in Europe with her school kids. She told us it was a tough decision for her to make-Europe or Mammoth. We hope she is having a great time! Many of you may recognize this trombone player-Bob Williams-as he has played on many Sacramento based bands over the years including the Wooden Nickel Jazz Band. Please give this great group of young ladies (probably the youngest band here) and gentleman a very warm Mammoth welcome. A side note - Bria & Claire have been here since Sunday helping out at the Jazz Camp. We would like to thank them for all that they do to help keep Jazz alive & well. A very special thanks to band sponsor Mammoth Crossing Development LLC for helping pay for the band's transportation.

Jazz festival veterans, The Night Blooming Jazzmen, return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California Club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan emcee, and the whole band gets in on the hilarious and spontaneous shenanigans.

- Rusty Stiers ..... Trumpet
- Lee "Westy" Westenhofer ... Bass, Tuba
- Anita Thomas ..... Clarinet, Saxes
- Jason Wanner ..... Piano
- Terry Waddell ..... Drums

This will be the 10th appearance of a creatively formed band called "The Professors." Made up entirely of teachers from the annual Mammoth Lakes Jazz Jubilee Camp, "The Professors" is led by camp administrator Bill Dendle.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult." Jubilee Co-Director Ken Coulter explained. "A few years ago, we decided instructors could not be in a separate band, so we formed a new one."

The success of "The Professors" was instantaneous. We feel great about putting this group together!

Mammoth Lakes Jazz Jubilee is one of the few festivals where you can see this group perform.

With so much talent and experience, they will surely bring the house down again this year!

## Royal Dixie Jazz Band

**LAS VEGAS, NEVADA**

- Dan Ellis ..... Leader, Piano, Vocals
- Joe Farina ..... Trombone, Vocals
- Steve Johnson ..... Reeds, Vocals
- Jeff Davis ..... Bass
- Paul Testa ..... Drums
- Tom Ehlen ..... Trumpet

When the music of old New Orleans meets up with the spirit of "old" Las Vegas, a lot of folks find the result royally irresistible.

The Royal Dixie Jazz Band (some of the players were formerly with the "Old" Kinda Dixie Jazz Band) plays music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges. You might recognize the trumpet player, Tom Ehlen, as the musician who played with the Temple of Folly Jazz Band last year here. These guys are so good, they can play with anybody. When they are not on the festival circuit, they are the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas. Be sure to stop in to see them Monday-Friday afternoons in the lounge.

Mammoth is once again royally excited as it welcomes Royal Dixie back to the Jazz Jubilee.

**Roger Bissell** ..... Trombone

The Side Street Strutters return to the Mammoth Lakes Jazz Jubilee for the tenth time – a fast decade. They capture the charm, vitality and creative energy of Jazz-America's musical heritage.

This sharply-dressed septet has presented formal concerts at theaters and performing arts centers throughout the country and Europe since the band's inception in 1983. With weekly performances at Disneyland, they have developed their own unique formula for presenting over half a century of jazz styles, including Dixieland, Blues, Big Band Swing, jazz standards and post-bop classics. You can also see them sharing the stage with professional symphony orchestras, which recently included Pops appearances with the Houston, Phoenix, Jacksonville, and Long Beach symphonies.

A performance by the Strutters often includes surprises such as tap dancing, lighthearted humorous antics, bead tossing, and the use of rare and unusual musical instruments. They have many CD releases along with Rob's release featuring the rare Con-O-Sax. This year's really special event is a CD party on Sat. at the Church. You will hear the tunes from their newest, just released, "Back to Bourbon Street" CD. Come join in the fun.

### SUE PALMER AND HER MOTEL SWING ORCHESTRA

One of the great swing orchestra leaders of yesteryear must have possessed Sue Palmer's body because she delivers some wicked boogie woogie that transports the audience to that little Harlem jazz café of 1937. No wonder San Diego has warmly coined Sue Palmer the "Queen of Boogie Woogie". She is versatile enough to move comfortably from blues to jazz to swing, and tasteful enough to consider the ensemble sound. Palmer knows the boogie woogie inside & out and has such fun in the process that she actually makes it look easy when she cuts loose her fiery, attention-getting, right-hand licks that bristle with energy, imagination and professional skill.

Palmer has chosen some of the West Coast's finest to accompany her-performing blistering boogies, big band tunes, jazz, & jump blues. April West's outstanding trombone playing leaves you speechless, especially when she removes her right shoe and plays her horn with her foot! Drummer Sharon Shufelt is the source of the band's swinging rhythms. Bassist Pete gives the band its heartbeat. Vocalist Deeja Marie captures the audience with her first note. Guitarist Steve Wilcox jumps off with his own high energy guitar runs that whip the crowd into a frenzy. Let's not forget legendary sideman Jonny Viau as he "rips" on his saxophone.

## Tom Hook & the Black Dogs

ORLANDO, FLORIDA, AND  
NEW ORLEANS, LOUISIANA

Tom Hook ..... Leader, Piano, Vocals

Bobby Durham .... Bass, Tuba

Ed Metz, Jr. .... Drums

David Jones ..... Cornet

Pat Gullotta ..... Trombone

Louis Ford ..... Reeds

Tom Hook and his Black Dogs are back. This hot gang of musicians is sure to bring the house down, the tent down, or wherever they are playing down.

Formed in Orlando in 1989, The Black Dogs were originally composed of staff musicians at Walt Disney World. Soon after, they took the Traditional Jazz world by storm by infusing contemporary rhythms and sounds into classic New Orleans Jazz. It really changed the face of the Trad world forever.

Always in pursuit of the original goal, Tom and his "Dogs" pointed their energies into American pop music and crested the wave of "Jump Swing" long before the current crop of swingsters.

The "Dogs" have also made a point of playing the finest New Orleans-style rhythm and blues across the globe, which they have toured extensively.

During their travels, the Black Dogs have headlined jazz festivals all around the country. Here at the Mammoth Lakes Jazz Jubilee,

they have come in a variety of forms; as "Les Chiens Noir", as the "Terrier Brothers", and "Uncle Yoke's Black Dogs" and more. But they always are a festival favorite—always the life of the party!

Don't miss this crew of dynamic musicians who swing hard, rock steady, and drive everyone out of their seats and onto the dance floor. Look for their special "Trad" set.

## Our Philosophy

### Still jazzing after 18 years...

"Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

**The point of a festival is to be festive.** To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes over the last 17 years & will continue this year as well.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper: It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential, to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year."

[Adapted from "Why a Jazz Festival-Festival?" by Ralph Gleason].

Please enjoy your mountain musical experience—Jazz with Altitude!

## Terry Myers and the Mammoth Lakes Big Band

### EVERYWHERE USA

Terry brings some wonderful charts from his home state of Florida for our fabulous musicians to sight read. No time for rehearsals, so what you hear has to be good the first time through, and it is! This group will change often throughout the time allotted so you will get to hear and see many different combinations of vocalists and players. We are very proud of what these guys and gals can do! Sit back and relax, close your eyes, whether remaining in your chair or while you are dancing, and try to remember what you were doing when. Enjoy some of the very best at what they do. You may not know some of the tunes, but listen to the arrangements – they're wonderful!

# Jazz Jubilee Camp, 12 Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its twelfth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 9 and runs through July 16. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. To top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Jazz Camp Youth Band on the schedule. Come and support our jazz players of the future!

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Dendle in the experience, including Rusty Stiers, Anita Thomas, "Fast Eddie" Erickson, "Westy" Westenhofer, Tad Waddell, Jason Wanner and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as "Professors." Check the schedule for time and locations.

In past years, the camp has drawn students from all over the

state, as well as from Utah, Arizona, Oregon, Washington, Idaho, and Florida. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets.

These kids will amaze and delight you! Don't forget to catch a set or two of the Barkin' Dawgs—many are former camp graduates.

## JUBILEE SENDS STUDENTS TO JAZZ CAMP

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at The Holler, donates a jacket each year, for which we sell raffle tickets at \$1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket!

Tickets will be sold at a table in the back of The Holler—the raffle prize "pick-up" table. —MLJJ

## The Lance Gardenhire Trombone Scholarship Fund

**"In Loving Memory of Lance"**  
**1984 - 2004**

Two years ago, at the age of 19, four-year camp attendee and Barkin' Dawg Jazz Band Member Lance Spencer Gardenhire passed away due to malignant melanoma that spread rapidly through his body. Lance was a talented young trombone player who attended Mammoth Lakes Jazz Camp from 1999-2002 and made his last trip to Mammoth in 2003 to see his younger brother Grady perform as a jazz camper. After Lance died, his family hoped that, in lieu of flowers, money could be donated to certain organizations, one of which was Mammoth Lakes Jazz Camp. It was by far the most successful of the funds set up in Lance's name, and his family greatly appreciates each and every donation, including those made last year right here at the Jubilee. The four summers Lance spent up here at Mammoth helped to shape his life and were a big part of the young man he became. Mammoth brought him so much happiness as well as helping him to grow in talent and confidence both on and off the stage. For this reason, Lance's family would like to see the funds used to assist other young trombone players, one each year for as

long as possible, in hopes that other young musicians will have a chance to be influenced and shaped by Mammoth like Lance was and to help keep Lance's memory alive. This year's recipient is Kevin Scott, 16, from Encinitas, California. His parents are Doug and Libby Scott and this is his first time attending Mammoth Jazz Camp. We are very glad to welcome Kevin and his family to Mammoth!
